

Magyar & Associates / Nutech Control Products

Representatives & Distributors of SCADA, Process Instruments, Components, Solar & Wireless Solutions

*Woman Business Enterprise
Registered COSTARS Supplier*

- Schneider Electric** • SCADA hardware & software solutions; PLCs, RTUs & I/O products
(formerly Control Microsystems) • Data radios, SCADA Management Software, wireless process sensors
 - GE MDS** • Wireless data network products; multi-point & peer to peer backhaul
• Spread spectrum, licensed, ethernet & I/O radios
 - GE Bently Nevada** • Vibration Monitoring: in-process, portables, sensors and services
 - Kistler-Morse, Inc.** • Bulk storage & in-process weighing, batching & level monitoring
• Loadcells, bolt-on strain gauges & ultrasonics; bulk inventory logistics
 - Thayer Scale** • Material Handling: belt scales, weigh belts, weigh belt feeders, loss-in weight feeders, volumetric feeders, bridge breaker material flow aids
 - Kobold** • Flow, pressure, level & temperature instrumentation
• Transmitters, switches, sensors, gauges, controllers & indicators
 - Babbitt International** • Continuous & point level sensors: radio frequency probes
• Magnetic level gauges; magnetostrictive transmitters, ultrasonics
• Dust emission monitors, broken bag alarms, radar level transmitters
 - Aquavx** • Internet based asset monitoring and control solution
• Turnkey unit, cellular or satellite based, simple install
 - Antx** • Autodialers; control, data logging & automatic alarm notification systems
• radio & internet communication; pump controllers
 - Gerhart** • Turnkey weighing & batching solutions
• Scales: platform, bench, truck, railcar, etc.
 - Minco** • Temperature/Humidity sensors, transmitters, monitors and controllers
• HVAC, process, sanitary, surface and motor sensors
- Accutech** battery-powered wireless sensors **Precision Digital** process meters & controllers
SunWize turnkey solar power systems **KPSI** submersible & in-line pressure transmitters
